

Registered Distance

Course includes unsealed surfaces

North of England Course Number : **19/518**

Race Name: Hamsterly Forest Half Marathon

Course Name: Hamsterly Forest Half Marathon

Meas File:

County: Durham

Distance: Half Marathon

Date of Race: 20 Oct 2019

Measured: 9 Oct 2019 **By:** D Townend

Promoter: Time2Run Events

This confirms that the length of the above course has been determined by an accredited Course Measurer using IAAF procedures modified for use in the UK on certain unsealed surfaces. The reduced accuracy of measurement on unsealed surfaces has been allowed for, and the minimum distance is stated. A complete record of the measurement is held by the Area Measurement Secretary. The measurement remains valid for 10 years provided that no changes are made to the course. The start/finish and the route must be set out EXACTLY as defined in the measurement report. Any modification will need to be measured for a new registration document.

Signed:

Area Measurement Secretary - North

Date: 14 Oct 2019

NOTES

1. This registration of distance is valid only for the race held on the date or dates specified.
2. The race director must consult the measurement report and lay out the course exactly as described by the measurer.
3. If there are changes to the start/finish, the route, the section of road/pavement available to runners, or the marshalling on corners then a measurer must be contacted in good time so that he can make any remeasurement/adjustments which are necessary. In the event of changes a new registration document will then be issued after receipt of the course measurer's report.
4. If the course is EXACTLY the same then this registration document may be renewed for subsequent races up to 10 years after the original measurement. To renew this registration document for a subsequent race, go to coursemeasurement.org.uk/renew and enter the course number for the measurement area North: 19518

and the following unique renewal code for this course number: vgrvkj

v = victor

g = golf

r = romeo

v = victor

k = kilo

j = juliette
